

NA standing committee-government meeting

(KPL) The Standing Committee of the National Assembly and the government yesterday held a meeting at the National Assembly meeting room under the co-chairmanship of NA President Thongsing Thammavong and Prime Minister Bouasone Bouphavanh.

During the meeting, a representative of the NA standing committee presented a brief report on its activities on monitoring and inspection of the government activities. Then the meeting heard a report from line ministers, including Minister to the Prime Minister's Office and director of the National Authority for Land Management.

Minister for Energy and Mining also reported to the meeting on its mining permission and management. The meeting also heard some comments and questions raised by member of the NA standing committee. Prime Minister Bouasone Bouphavanh and some ministers concerned have clearly answered all questions put by NA members.

At the end of the meeting, PM Bouasone Bouphavanh also told the participants about some important works which are being implemented by the government.
