

## NA Vice President visits Hmong village, Phonkham.

(KPL) Vice ? President of the National Assembly Mrs. Pany Yathortou visited Phonkam village, Borikhamsay province, on Tuesday 9, March. Phonkam is a newly established village to accommodate Hmong people recently repatriated from Thailand. The Vice-President of the National Assembly was accompanied by Governor of Borikhamsay province, Mr. Khamphanh Philavong.

Mrs. Pany was informed of the socio-economic development of the village by Executive Committee member of Phakbeuak Development

Focal Area Mr. Bountem Inthisane. Phonkham is a newly established settlement with 601 households of 3,457 people. The authorities in the development area are focusing on the construction of dispensaries, schools, latrines and water supply systems.

On the occasion, Mrs. Pany expressed her concerns over the living condition of villagers of Phonkham and urged them to be confident in the leadership of the party and government as well as their local authorities. Mrs. Pany also gave consumer goods and medicines to the villagers.
