

## NA Vice President urges prompt rehabilitation of infrastructure in Parklai

(KPL) Vice President of the National Assembly, Mr. Saysomphone Phomvihane, has urged people and authorities in Parklai district, Sayaboury province, to speed up the restoration of basic infrastructure damaged in a storm which hit the province on April 28.

Mr. Saysomphone made the encouragement when he met local people and authorities at the Parklai District Administration Office on May 6. Also present at the event was Chief of Parklai district, Mr. Bouaphanh Makhaphon.

On the same day, Mr. Saysomphone, also presented a financial assistance worth 5 million kip to local authorities to support the restoration of a school in Ban Khonekaen and visited Phoudu border check point between Parklai district of Sayaboury and Ban Khok in Uttaradit, Thailand.
